

PARKING DIRECTIONS FOR BEXAR COUNTY CONVENTIONS

OPTION ONE: UBER/LYFT

If you are not familiar or comfortable with driving and parking downtown, the officers **strongly** suggest simply using a rideshare service to get to and from the conventions. You do not want to be running late or arrive frustrated.

OPTION TWO: PARKING GARAGE

The two closest parking garages are labeled on the map below. City operated parking garages are free on Tuesday nights after 5pm. Average flat rate cost of parking garages is \$10.

OPTION THREE: STREET PARKING

Street parking downtown is always hit or miss. Most have a 3-hour limit which will not be long enough for the county convention. We do not suggest this option if you can help it.
